

# **Wilderness Trails Owners Association meeting minutes September 11, 2012**

Meeting was called to order by president, Jerry King.

1. Financial report was read by Joanne Moon.

The subdivision seems to be doing fine financially.

2. Old business:

The internet issue in the subdivision was discussed. We had Bays ET come out and look at the area to install a tower. They were asked to give us a bid for a internet tower and they never responded back to us.

Others discussed that we don't seem to be much of a priority for any of these companies to get internet service to this area.

If anyone has any other ideas please forward them to the board.

3. New business:

Road work needs to be done to repair some of the potholes on the roads.

Tower replacement to the utility lines through the subdivision.

MODot improvements to Highway FF.

**Work day will be October 20th**

**Hay ride and bonfire will be October 27th**

4. Election of new board members:

The new board consists of:

Jeff Schneider  
Joanne Moon  
Bill Pattison  
Charlotte Miles  
Harold Webb

If you have any issues around the subdivision or anything that needs to be repaired for work day please forward them to a board member.
